

2019 MUD BOG RULES

RULES APPLY TO ALL CLASSES UNLESS SPECIFIED

We have a cut off at the first pre-paid 25 trucks. The fee is \$80.00 and includes the drivers pit entry and all classes you qualify and sign up for. Pit entrance will be open from 8 a.m to 10 a.m at this time you will show I.D, and sign a waiver. Driver gets in free with his pre-paid registration (one driver per vehicle). Additional personnel will also need I.D, waiver signature and \$20.00 fee for pit entrance. You will then be directed to your pit space and registration booth. There are 3 classes for stock and 4 classes for open. Pending on truck count and time frame we may run some grudge matches at the end of the event to fill the left over time if any. After 10 a.m vehicles that leave the pits will not be able to return. People that leave can return through general admission either with wrist band or payment. Pit wrist bands will allow you to get in and out of the expo. There will be at least 2 intermissions and during one of them we will probably take time for some autographs with the kids so if you have a truck picture printed, the kids would love to get one from you!
