

# ATTENTION MUD BOG PARTICIPANTS!

There has been a few additions and changes to the June 22<sup>nd</sup>, 2019 show.

1<sup>st</sup> Due to drivers request we have changed the pit length from 200' to 150'.

2<sup>nd</sup> We are now cutting the field off at the first 25 pre-registered trucks.

3<sup>rd</sup> Registration cost will be a flat \$80.00 and that includes all qualified classes as well as a pit pass for the driver (1 driver per truck).

4<sup>th</sup> Tire sizes for classes have changed a little, so please take note: cut tires are still ok but still no paddles.

5<sup>th</sup> You can now make a 2<sup>nd</sup> attempt and keep your best time. You must tell Official immediately after 1<sup>st</sup> attempt and get back in line.

6<sup>th</sup> Trophies will remain but payouts have increased and are now locked (based on 20+ trucks). This means with the cut off on trucks you're competing for more money with less competition. Yes, you can still win multiple classes!

7<sup>th</sup> As long as you finish the event in good standings your spot will be held till Jan. 31<sup>st</sup>, 2020 for next year's show. After that it becomes an open spot.

8<sup>th</sup> We would like to do an autograph and photo session with the kids before trucks get dirty so roughly 10:00am – 11:00am, with the first class following after.
